AN AGED PRISONER MAKES HIS ESCAPE

Bisbee Awaits Flood Season, Now Overdue, and Will Try Dynamite.

Bisbee, Ariz., Aug. 11.—News has been received here of the escape of George Washington Anderson, the 70yearold man accused of horse theft at Maricopa, Ariz., as he was being taken from Bisbee to Prescott to be arraigned on the charge. He was arrested here by officer Bailey, of Lowell, and sheriff Smith, of Yavapai county, came here for the prisoner. The sheriff and the prisoner spent the night at Marithe prisoner spent the night at maricopa, taking cots in the yard of the
McCarthy hotel, and in the night the
old man slipped away.

With the flood season nearly gone,
Bisbee has not seen a sign of a flood
this year and old timers are wonder-

ing if the weather in this part of the country is changing. The street de-partment is holding in readiness for the flood a large number of dynamite bombs that will be used to blow the wreckage out of the subway to prevent the flood waters from swamping the district.

M. E. Cassidy returned yesterday from attending the national council of the Knights of Columbus, which met at Detroit, Mich. The proposition to erect a tuberculosis sanitarium in Ari-zona was voted down by the council on the ground that methods of treatment of the disease are changing and that experiment has proved that the best results are obtained by treating the disease in the climate in which it was contracted.

News has reached Bisbee of the death of Miss Ruby Davision of this city, at Tucson, following a brief illness of typhoid pneumonia. The body was taken to Pueblo, Colo. She was the daughter of Mr. and Mrs. R. T.

Davision of this city.

Louis Brown, of this city, and Miss
Rosa Mae Bloomfield, of Nashville, Tenn., were married in that city Tuesday. They will reach Bisbee on Sep-tember 10 and make their home here.

TUESDAY CONCERTS TO BE DISCONTINUED

Fourth Cavalry Band Will Accompany Troops to Clouderoft.

The Tuesday evening military band concerts, which have been given dur-ing the summer season by the Fourth cavalry band, will be discontinued for the present. The cavalry band will accompany the squadron of cavalry from camp Steever to Cloudcroft Satday and will be out of the city indefinitely. However, the Twenty-third infantry band will continue the Friday evening concerts in Cleveland square, giving the people of El Paso one concert each week.

The cavalry squadron consisting of troops A. B. L. and E. with the headquarters, band and machine gun platoon, will leave camp Steever Saturday morning at 6 oclock and will go overland to Clouderoft by way of Alamogordo and up the mountain road. The squadron will be in command of Col. E. Z. Steever.

The practice hike of companies E and F, and the machine gun platoon of the Twenty-third infantry, to Pelea, N. M., was completed Thursday evening and the two troops and gunners slept in the barracks Thursday night after being out since Tuesday morning

TERRAZAS CATTLE ARE BEING SOUGHT

Many of Them Are Said to Have Been Sold on This Side.

Terrazas cattle from the Terrazas estates in Chihuahua, arbeing brought to this side and sold in large numbers, according to local cattlemen and cattle buyers. The Terrazas stock was seized in large num-bers during the revolution, and after the close of the war the cattle that were not used to feed the armies in the field were driven to the border and many head sold to buyers who have been importing them and selling them to American buyers.

Agents of the Terramas interest are

king an effort to locate these cattle and, if possible, to have them seques-tered and returned to Mexico to their rightful owners. The cattle bear the famous "T. H. S." brand, which is carried by more cattle than any in the

world, it is claimed. A large number of horses were also stolen from the Terraras ranches by the revolutionists and many of them

Nadine Face Powder NEW HIGHWAY TO

Douglas City Officials to Exchange Greetings With El Paso.

Douglas, Ariz., Aug. 11 .- The territorial highway between Douglas and Bisbee will be completed by the end of this month, according to J. A. Parker, engineer in charge, if sufficient rain to allow of rolling and surfacing, falls. Work upon two concrete arched bridges to span the Lowell, Wash, 60 feet in length and a 16 foot span to cross an arroya near For-est Siding was suspended several weeks ago for fear the rains would wash out the skeleton forms before the work could be completed.

Since that time not a rain has fallen and work has been retarded. The road is now complete as far as Forest Siding, 10 miles west of this city.

The Intermountain Telephone com pany plans extensive changes. A buildrecently purchased on Eleventh street will be refitted with modern equipment as an office and exchange. poles throughout the business portion of the city will be replaced by larger ones, while all cables and overhead wires will be strung through the alleys, thus relieving the main streets of the unsightly obstructions over-

To Talk to El Paso The opening of the toll lines of the company between Douglas east and west will take place in 10 days and will be marked with much ceremony. The city officials here will greet those of El Paso, while the board room of the chamber of commerce, in which the ceremony will take place, will be so fitted up that six persons can hear the same conversation. The line is practically complete in all its details

Many New Settlers. Since 1910 a great influx of immigration has taken place in the Sul-phur Springs valley, according to a reliable directory of the districts contiguous to Douglas received at the local chamber of commerce. In 1910 267 families resided in districts sur-rounding Cochise, Dos Cabezos, Light, Webb McNeal, Rodeo, Apache, Chiri-Gleeson, Whitewater and These districts now contain 589 families, or, estimated according to the usual rule of five persons to a family, 2945 persons. All these persons are to a large extent dependent upon Douglas as a market place as well as a purchasing center.

Dr. Frederick T. Wright has been made a director of the Bank of Doug-las, vice T. H. Collins, resigned. Wright is a pioneer of Douglas.

INSPECT ROUTE OF PROPOSED ROADWAY

Magdalena, N. M., Aug. 11.-W. M Barrowdale, Dr. Mays, J. S. Mactavish and R. W. Lewis, accompanied by territorial engineer C. D. Miller, left here for Mogollon to look over the route of the proposed extension of the Magdaroad from Socorro to Magdalena, which is being built with convict labor, is through the Socorro mountains and will soon be completed to Mag-

This proposed road will be a little longer than the road from Silver City to Mogollon, but it is claimed it would be a much better rond than could possibly be built out of Silver City undess a very expensive bridge is put

After looking over the country trhough which the road will go the party intends going on down to the head waters of the Gila and hunt and fish for about ten days or two weeks.

MEXICO COTTON PICKING

IS NOW IN PROGRESS First Carlonds of Staple Arrived at Torreon for Shipment to Centers.

Torreon, Mex., Aug. 11.-The cotton picking season has begun and as a consequence an improvement in business should be noted at an early date. Several hundred men are at work on plantations and this number is being rapidly increased. Several car-loads of cotton have already arrived here for shipment to manufacturing centers.

The latest report from the Laguna district is that the cotton crop this year may reach \$0,000 bales, or even more in case of a late frost. That cotton which has been planted this year is in splendid condition and the soca crop is also doing well. The hacendados are having no trouble in employing labor and hundreds of pickers are being added daily to the employed. The peons throughout the Laguna district are all peaceful.

BUYS AND WILL OPERATE A STEAM LAUNDRY.

J. A. Boller to Put Silver City Plant 1 Operation Soon, It is Reported.

Silver City, N. M., Aug. 11.-Silver City's steam laundry will be operated in the immediate future if a deal which is now in progress comes to a successful issue. It is understood that J. A. Boller is to purchase the plant from the present owners, in which event he will put the machinery into

firstclass shape and reopen it. The laundry was built about five years ago by H. F. Bade and operated by him for several years under the name of the Silver City Sanitary Steam Laundry. It was closed down over year ago and has since been idle.

MAY INSTAL TELEPHONE SYSTEM AT TORREON, MEX.

Torreon, Mex., Aug. 11 .- Among the visitors to Torreon this week was a telephone expert from St. Louis, who has been connected with various lines in the United States. He is looking over the ground with a view to determining upon a location for a good system in Mexico. His object is not to buy old companies but to instal new systems complete.

FRANKLIN CANAL IS TO BE TAKEN OVER

Service as Part of Dam Project.

The Franklin canal will be taken over by the reclamation service and will then be under the government

The canal was purchased by the Water Users' association from the private owners of the canal and the association has been conducting the affairs of the canal since that time. But the entire system is to be taken over by the government as a part of the Elephant Butte dam project and the lower valley irrigation supply will be regulated from that source after October 1st.

DEMOCRATIC PARTY

Will Be Under Reclamation Stone or Concrete to Be Legislator in Favor of Fighting It Out With Prohibitionists.

Austin, Texas, Aug. 11.-In order to pared by the engineering department Haxthausen, of Houston, is in favor for the replacing of all wooden struc- of having a Democratic convention to put the question squarely up to concrete or stone bridges. It has not the party. At this convention the yet been decided which will be used question would be to either banis prohibition, or else bolt the party and form another party.

Mr. Haxthausen says that if the Democratic party wants to be dominated by the prohibitionists, why all right; then it would mean the formation of another party in Texas, and as a neuclus there would be 60,000 German votes in Texas ready to join the new party.

The Houston legislator does not be lieve that the prohibition question has any right to be in the Democratic party and agrees with the views ex pressed a short time ago by lieutenant gove nor Davidson that the pros should be eliminated from the party in Texas. In practically all legislative parties now being considered by the legislature, it may be said there are two parties-the anti prohibition Democrats and the prohibition Democrats and on many questions the vote is strictly a
